REQUEST TO CORRECT FILING RECEIPT

Applicant notes that small entity status has been accorded to the captioned patent application. This authority is respectfully requested to issue a corrected Filing Receipt indicating that large entity status applies instead. Since Cabot Microelectronics' Deposit Account No. 501599 has already been charged the correct large entity fees (see enclosed copy of USPTO Deposit Account statement for October, 2003), additional charges are not required.

Respectfully submitted,

By
